

Durajet

W F W R High Strength Film

STANDARD PRODUCT FACT SHEET

7-ply cross laminated oriented super high strength 8.5 mil. film with an ink-encapsulating coating that is very receptive to ink and offers water and UV resistance. Great for outdoor use without the need for an over laminate or top varnish. Intended for use on Encad NovaJet and Hewlett-Packard DesignJet ink jet printers, this coating offers excellent lay-flat properties, along with exceptional brightness, optical density, line definition and instant-dry printing.
