

# PhotoJet Matte

Photo Matte

## STANDARD PRODUCT FACT SHEET

115 lb. 2 side film coated photo grade paper with a photo matte coating that is cost competitive with other matte products.

A step beyond a cast-coated product due to it's excellent ink absorption for both pigment and non-pigment inks. Intended for use on Encad NovaJet and Hewlett-Packard DesignJet ink jet printers, this coating offers excellent lay-flat properties, along with exceptional brightness, optical density, line definition and instant-dry printing.
