

# PosterJet™

Matte 115 # Poster Paper C2S

## STANDARD PRODUCT FACT SHEET

115 lb. paper matte coated on both sides. Optimum for photo realistic graphic displays and color proofing. Intended for use on Encad NovaJet and Hewlett-Packard DesignJet ink jet printers, this coating offers excellent lay-flat properties, along with exceptional brightness, optical density, line definition and instant-dry printing. Maintains resistance to outdoor conditions.
